RHEUMA PAIN WORKSHOP

www.rheumapainacademy.com

Rheuma pain workshop is the first multidisciplinary course dedicated to musculoskeletal specialists who want to learn how to perform ultrasound guided diagnostic and therapeutic procedures.

A two days course in one of the best applied anatomy laboratory where you will interact with a group of international specialist of different disciplines to improve your skills, acquire new ones and trust in ultrasound-guided procedures.

MSK ANATOMY AND SONOANATOMY

Discover ultrasound anatomy to recognize the fundamental anatomical structures for diagnostic and therapeutic ultrasound guided interventions

ULTRASOUND GUIDED PROCEDURES

Learn the main diagnostic and therapeutic procedures like arthrocentesis and aspiration of synovial fluid, intra and extraarticular injections and nerve blocks.

SPECIAL STATIONS

Learn how to perform ultrasound guided synovial, muscular, soft tissue masses and kidney biopsies and how to perform ultrasound guided minimally invasive interventions like carpal and tarsal tunnel and trigger fingers.

PARTECIPANT

The Rheuma Pain Workshop is limited only to 30 participants.
DON'T MISS YOUR CHANCE, RESERVE NOW YOUR PLACE!

Register online at: 
www.rheumapainacademy.com/registration

REGISTRATION FEES

The cost of the **registration fee is € 1.515** VAT included and includes:

- Participation in the workshop sessions
- Course kit
- Certificate of attendance
- Lunches and coffe breaks

HOW TO REGISTER
